

Colorado Department of Agriculture - Plants Division

305 Interlocken Parkway, Broomfield Co, 80021

303-869-9050

Colorado Active Industrial Hemp Registrations by County

- The list is not available in any other format as it is intended for verification purposes only, and not meant for marketing purposes.
- This list contains the business contact information for all active registrations for **Industrial Hemp cultivation**. This program DOES NOT regulate, or have lists for processors or distributors/purchasers of plant material or end use products.
- The list is sorted by the county in which the Registrant has registered land for cultivation. It contains their registration number and their business contact information. The address posted is their business mailing address. Grow site addresses are protected information.
- All other information is confidential and we can not share it. Currently, this includes email addresses and we are not able to share them.

Citation for exemption from CORA (Colorado Open Records Act) under CRS 24-72-204 3)(a) (IV) Trade Secrets, privileged information, and confidential commercial, financial, geological or geophysical data.
